

# China International Lasers, Optoelectronics and Photonics Exhibition

Oct 17th - 19th, 2016

Beijing · China International Exhibition Center (Jinganzhuang)

## ILOPE 2016 Buyers Incentive Plan (BIP)

ILOPE 2016 is expected to gather more than **300 exhibitors** and **20,000 professional visitors** seeking for business opportunities and communications in Laser / Infrared / Optics and other photonics industries. As our distinguished guests who are going to find qualified suppliers or agents in China, you will have the chance to be one of our BIP members during ILOPE 2016.

### What is BIP?

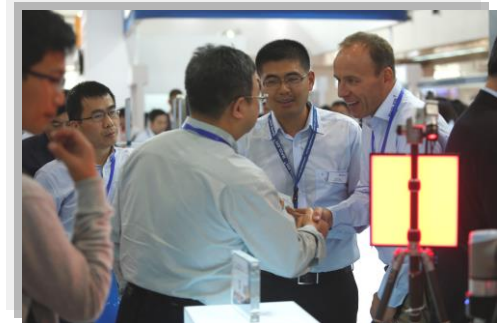

ILOPE 2016 offers you the **Buyers Incentive Plan (BIP)**, which is customized for visitors with clear intentions of purchasing and doing business with our exhibitors. Qualified visitors will also be our VIPs participating seminars and workshops and sharing information with our invited speakers.

### Why BIP?

As for our exhibitors look forward to meeting with more and more high-quality buyers during the exhibition, and to increasing the numbers of orders, to maintaining the market share and to overcoming the financial crisis smoothly, ILOPE 2016 specially launches the BIP by providing qualified visitors with exclusive benefits.

### Exclusive Benefits of BIP:

- Accommodation-maximum 2 nights in ILOPE designated hotel
- Transportation-Round-trip between the airport and the hotel
- Earliest access to first-hand information of exhibitors and products
- Priority Seats in seminars
- VIP badge & Guided Visiting
- Admission of VIP Lounge
- Visiting day lunch & special gift

**If you are decision-makers of the department of production, technology, equipment, systems and purchasing from:**

- ✓ Foreign enterprises or institutions
- ✓ Electronics, semiconductor, automotive, chemical/medical, metalworking, printing/graphics, aviation/aerospace or transportation industries.

**Please fill the Purchasing Survey and email us to join in before 30/08.**
